It would not be quite proper to make a distinction between the lent employees (1.1.47) in regard to the date (1.9.47) from which the revised scales have to be given effect to, as such a course would cause discontent among the minds of the employees We do however consider the proposals of the Mcl to be reasonable The above fact will however be limited not to be done for passing action after further consideration

I have the honour to forward herewith the report received from the President, Municipal Council, Goribidnur with his letter No 66 dated 6-9-48 and to state that the Municipal Council, Goribidnur at their meeting held on 16-6-48 have resolved to revise the scales of pay of their employees, as detailed in the enclosed proposition statement

The lent officials working in this Municipality are one Junior Sanitary Inspector and one II Division Clerk The Council have proposed to revise their scales of pay so as to be at a par with the scales obtaining in Govern ent Departments and give effect to the revision with effect from 1-1-1947

As regards the remaining employees of the Council, the scales of pay proposed is according to my suggestions except in the case of Toll-gate Keepers The services of the Toll-gate keepers are temporary and they are being paid at Rs 10/- per month each The Council are not in favour of revising their pay The scales of pay of peons and scavengers proposed by the Council is on a par with the scales given to Government employees The Council have specifically resolved to revise the scales of pay for the Municipal employees from 1-9-47 only The proposals of the Municipal Council are reasonable

The average cost of the establishment according to the existing and revised scales of pay is Rs 4235-4-0 and Rs 6466-8-0 resulting in an excess expenditure of Rs 2231-4-0 per annum The Council have made provision to meet the extra cost involved in

in the revision of scales in the Municipal Budget for the year 1948-49 The arrears of pay that will be due to the officials from 1-1-47 to 30-6-47 be met from the closing balance of the Council The closing balance of the Council as per sanctioned budget for 48-49 is Rs 8544/- and the Council is able to bear this extra cost The normal expenditure of the Council is within the normal receipts The President reports that the proposition statement has been prepared with reference to the scale register maintained in the Municipal Office and the Government orders sanctioning each post is also noted
